GemBox Support Center

Add support for embedded objects Completed

- SB Sarah Henintsoa Benecke
- **Forum name:** #GemBox.Document Feature Request

The attached file contains an embedded object. When converting the document to an image, the result should look the same as the original (showing the embedded object without a border).

Original Topic:
https://forum.gemboxsoftware.com/t/converting-page-to-image-creates-border-around-element/1020

Hi,

This feature request has been implemented and is available in the latest versions of GemBox.Document.

Regards,

Mario
