GemBox.Document for Java Duplicate

- EG Elena Galliano
- **Forum name:** #GemBox.Document Feature Request

I saw that you have implemented a GemBox.SpreadSheet for Java, you have in program to implement a GemBox.Document for Java? If yes, when? Thank you!

Hi, Note, we have this feature request listed in our feedback collection, and please feel free to vote for it in order to increase its priority: https://support.gemboxsoftware.com/community/view/gembox-document-for-java Also, currently we haven't made any plans for GemBox.Document for Java. If/when more requests are made for it we will investigate this requirement. Regards, Mario
