Improve Presentation component conversion to PDF Completed

- Sam Arjmandi
- **Forum name:** #GemBox.Presentation Feature Request

Without supporting the following which is most often used, the convert to PDF feature is limited.

Please support the following:

Advance presentation features, e.g. centralized gradient fills, shapes with unsupported geometries and group shapes.

Hi,

We have added support for group shapes and more shape types in the latest versions of GemBox.Presentation.

Regards,

Mario
