Hi,

We required high-priority of Table and PivotTable formatting in the PDF feature. Please provide as soon as possible. it will be good for us.

Regards,

Amit Suthar

Hi,

I would also absolutely love the feature, because it gives the benefit of providing management a better overview exported to PDF, especially when there is complex data.

Regards,

Martin

Hi,

We would also like to have this feature added, so the HTML will show the right styles for our Excel tables!

Regards,

Martijn
